TEMPORARY HAZARDOUS MATERIALS SAFETY PERMIT
HM Safety Permit ID: US-2319767-MO-THMSP
Effective Date: December 10, 2012

Dear JOHN DILLOW:

This Temporary Hazardous Materials Safety Permit (THMSP) is verification of the motor carrier's temporary permission to engage in the transportation of hazardous materials listed in 49 CFR 385.403 by motor vehicle in interstate, intrastate, or foreign commerce.

The THMSP will be effective beginning December 10, 2012. It will be valid for 180 days after the effective date or until your company is assigned a Safety Rating, whichever occurs first (49 CFR 385.409), if your company maintains compliance with the requirements pertaining to the safe and secure movement of hazardous materials for the protection of the public (49 CFR 385 and other applicable Federal Motor Carrier Safety Regulations and Hazardous Material Regulations). Failure to maintain compliance will constitute sufficient grounds for suspension or revocation of the THMSP.

The Effective Date of this permit is: December 10, 2012.
The Expiration Date of this permit is: June 8, 2013.

Willful and persistent noncompliance with applicable safety fitness regulations as evidenced by a Department of Transportation safety fitness rating less than "Satisfactory" or by other indicators, could result in a proceeding requiring the holder of this permit to show cause as to why this authority should not be suspended or revoked.

For questions regarding this notice, please contact the FMCSA Hazardous Materials Division at 202-366-6121.

Sincerely,

Joseph P. DeLorenzo
Director, Office of Enforcement and Compliance
